From the Pastor's desk,

The family is the most important unit of civilization. It is in the family that education not only of the ways and means of the world but also of culture and faith. This family is not a social construct of governments but rather something that has been endowed in humanity from the very moment of creation. We here this in the first reading and confirmed in the Gospel. "What God has joined, no man may separate. In a short time, the synod on the family will begin in Rome and may our prayers for the Synodal Bishops aid them in their deliberations in order to provide guidance and support to this essential building block of the Church and the world.

I also want to direct your attention to some educational materials that the parish is providing to all in the parish through online streaming.
